About Globus Maritime Limited

Globus is a global provider of seaborne transportation services for dry bulk cargoes, including among others iron ore, coal, grain, cement, and fertilizers, along worldwide shipping routes.

On September 10, 2008 Globus announced that it has signed a Memorandum of Agreement with an unaffiliated third party for the sale of the M/V "Ocean Globe" for US\$52.25 million in cash. Delivery to the new owners is expected to take place sometime up to November 30, 2008 at the option of Globus. The vessel, which has been trading on the spot market since February 2008, will continue trading on the spot market until the time of delivery.

Following the sale of the "Ocean Globe" the Company will own and operate five Handymax vessels and two Panamax vessels, with a weighted average age of approximately 11.5 years as at September 30, 2008 and a total carrying capacity of 372,369 dwt. Six of the seven vessels are geared.

Registered office: Walker House, PO Box 72, 28-34 Hill Street, St. Helier, Jersey JE4 8PN

Five out of the seven vessels in Globus' fleet are on medium to long term time charters to reputable charterers, which is expected to provide a stable revenue and earnings base. Two vessels, as well as the "Ocean Globe", are trading on the spot market.

Globus is listed on the AIM of the London Stock Exchange under ticker GLBS. Jefferies International Limited is acting as nominated adviser and broker to the Company.
